

April 17 2017 CSC

Heat mitigation system will be installed this summer, LED lighting with upgrade to electric system will be installed next summer.

Updates start June 5. The building will be closed most of the summer.

End of the year evaluation meeting needs to be scheduled.

We have a new position open (does not affect budget) for teacher ESL resource teacher K-8. Will teach ELD to Kindergarten through Second Grade, and assist students with bilingual language support with the lowest ACCESS scores in secondary. This person needs to be certified to teach ELA-S at secondary level. This meets the requirements of mentioned previously CSC meetings.

This Saturday Comcast Cares will be at the school to beautify the school. Volunteer time is tax deductible.

Latin Arts Festival is asking for multicultural food donations.

Parent Volunteers are needed during elementary lunch hour. Discussed communicating volunteer opportunities to parents.

Discussed roles and pay structure of RIO staff vs counselors and resources available to students.

SBOE doesn't have any updates, still working on grants for after school activities. Lock-In is next Friday.
