What Teaching & Education Experience will be most important for the next school leader?

Teaching & Education Experience covers the experience a candidate has with instructional curriculum, teaching in a classroom, specific curriculum such as IB programming, and working with specific populations of students, among other areas.

What Leadership and Communication Style will be most important for the next school leader?

Leadership covers the type of leadership experience a candidate has, such as being a principal or assistant principal, working at a high school in an urban setting, or business experience, among other areas. Communication refers to the style and posture of communication, such as easy going, accessible to parents, authoritative, charismatic, or accessible, among other areas.
